JAPAN - Information

Japan has a varied climate due to its extensive geography, with distinct seasons:

◆ **WINTER** December to February ❄️

Cold, especially in the north, with heavy snowfall, particularly on the west coast and in the mountains.

◆ **SUMMER** June to August ☀️

Hot and humid, with the green season in June and possible typhoons in August-September.

◆ **SPRING** March to May 🌸

Mild, pleasant temperatures, with the iconic cherry blossoms.

◆ **AUTUMN** September to November 🍁

Cool, pleasant temperatures, with spectacular scenery thanks to autumn colors.

Best time to Travel: Spring and autumn are the best times to enjoy Japan's natural beauty and pleasant climate.
