SOUTH KOREA- Information

Continental climate with 4 seasons

◆ **SPRING – From March to May**

The temperatures are ideal, the flowers are in bloom. It's the cherry blossoms season (April).

◆ **SUMMER – From June to August**

Heavy and short precipitation is to be expected. The air is then hot and humid, often stuffy.

◆ **AUTUMN – From September to November**

The temperatures are mild, the sky is clear and the trees change into beautiful color patterns of yellow, red, orange and brown.

◆ **WINTER – From December to February**

Cold and dry, the winter is dominated by polar winds from Siberia.

Best time to travel: Spring & Autumn
